TO: Federal Election Commission
FROM: Susan Armacost, Assistant Treasurer
RE: Independent Expenditures made in the period from the
filing of last report to election day.

I am enclosing our expenses for the period of time specified above.
I am also filing a copy of these expenses with the Clerk of the
House, as required by Federal campaign law.

I believe we inadvertantly neglected to report two of the
expenditures within the 24 hour period. Those items, both of
which are over \$1,000, appear on the first sheet. I apologize
for this oversight and I am sending this Federal Express priority
so that it will be received tomorrow.
